IAS
INTERNATIONAL ATLANTIC SERVICES

In collaboration with IAS - International Atlantic Services, our team has prepared an exclusive program in the city of Porto for our investors and their families. This program includes activities for both children and teenagers from 7 to 16 years old, to make the most of the summer season June, July and August!

Two weeks full of energy, in a fun and didactic way to learn Portuguese, putting their skills to the test with exciting surf lessons and soccer practice. Parents can also be a part of this experience and improve their portuguese language proficiencies!

The program runs from Monday to Friday and it includes transportation, lunch for each day, and a professional team of certified instructors, teachers and federated trainers that will accompany the daily activities.

Book your Summer Camp in Porto one month in advance to secure your place! Please send e-mail to learningportuguese@iaservices.pt

We offer bespoke Portuguese language lessons to students ages 7 to 16 to help them develop their overall comprehension and boost their confidence when communicating in Portuguese.

Lessons will cover grammar, vocabulary, pronunciation, speaking, listening, reading, writing and colloquial Portuguese.

Students will have their individual level assessed and then classes are customized to fit their specific requirements.

For students who wish to focus on a particular test such as CIPLE, we can also offer this option.

LEARNING OUTCOMES

- :: Achieve greater **fluency** and **confidence** in spoken Portuguese
- :: **Read** and **understand** a wide range of texts
- :: Learn to **write** using correct grammar, punctuation and spelling
- :: Build your **vocabulary**
- :: Develop **listening** skills
- :: **Practice for the CIPLE** examination *(if required)*
